HEAD TEACHER COMMENT(S) / OBSERVATION(S)

This is not a good performance with respect to the standard for a good result. You are not weak, you just need more practice in the subjects you performed poorly. **It would be great to see some improvement in LITERATURE-IN-ENGLISH,**

This is not a good performance with respect to the standard for a good result. You are not weak, you just need more practice in the subjects you performed poorly.

Matching IFEOLUWA OLAOBA FAITH's end result with student's average; it is a good performance and has the potential to be improved upon. Her strength of mind and willpower are key factors to achieving this feat.
